Filolo International Camp in Saignelégier 2026

English, French or German language study holiday in Switzerland with Filolo!

Experience the magic of learning languages at our Premium Camp in Saignelégier, where language immersion meets the beauty of the Swiss lakes and mountains!

SAIGNELÉGIER

Set on the wide-open Franches-Montagnes plateau in the Jura (around 1,000m), Saignelégier is all about fresh air, big nature, and that calm “away from it all” feeling—perfect for kids to disconnect, make friends, and learn languages naturally. Just minutes away, the Étang de la Gruère nature reserve offers an easy, beautiful loop around Switzerland’s largest moorland lake—ideal for discovery walks, outdoor games, and language “missions” in the forest. For mountain wow-moments, day trips to the Chasseral ridge bring panoramic views all the way to the Alps, with the Three Lakes (Biel, Neuchâtel, Murten) spread out below.

The key points of our Summer Premium camp in Saignelégier

Fact #1: Language lessons are held in **small groups of max 6 students per group**. This fact enables a lot of space for the teachers to focus on the needs of each and every individual student.

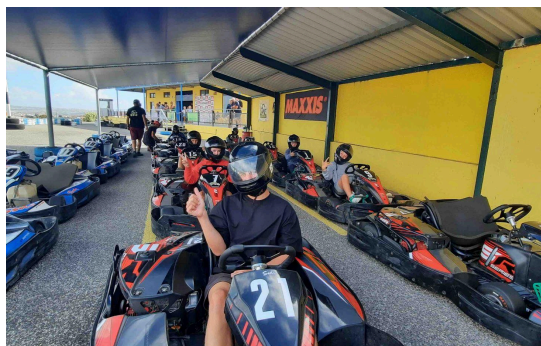

Fact #2: Authentic, memorable and engaging workshops and evening activities - specifically designed for students aged between **10 and 17 years**, through several years of experience.

Fact #3: We abandon the formalities at the doorstep - it's a friendly, non-conventional language learning environment in all of our camps.

Fact #4: All of our staff members are young, multinational and highly motivated. **Our teachers are all native speakers.**

Fact #5: Attractive excursions such as **Europa Park**, one of Europe's largest and most popular theme parks. It offers a strong mix of world-class roller coasters, family rides, water attractions, etc... Alongside our excursion to Europa-Park, we'll also go **karting**, visit a **chocolate factory** and the **watch museum**, and enjoy a trip to **Lake Neuchâtel/Lake Biel** (and the surrounding area). Explore the medieval charm of **St. Ursanne** with a **kayaking adventure on the River Doubs** – or spend the day in **Bern**, Switzerland's beautiful capital.

Fact #6: A cozy and welcoming atmosphere awaits at the Jura Sport & Resort Hotel, featuring spacious 3-bed en-suite rooms – plus plenty of fun on-site with a pool and toboggan.
